

THE JORDAN STANDARD

The confidence of the Founders of Sigma Chi was based upon a belief that the principles which they professed and the ideal of the Fraternity which they sought were but imperfectly realized in the organizations by which they were surrounded.

The standard which the Fraternity started was declared by Isaac M. Jordan to be that of admitting no man to membership in Sigma Chi who is not believed to be:

A Man of Good Character ...
A Student of Fair Ability ...
With Ambitious Purposes ...
A Congenial Disposition ...
Possessed of Good Morals ...
Having a High Sense of Honor and
A Deep Sense of Personal Responsibility

HOUSE CORPORATION SUPPORT

As a large percent of the project is deemed non-educational, there is a need for contributions that are not tax deductible to complete the project with minimal debt to the chapter. Therefore, donors who pledge less than \$25,000 are being asked to make contributions to the House Corporation and begin their pledge payments as early as possible. Gifts made to the House Corporation are not tax deductible as charitable contributions for federal income tax purposes.

DONOR INFORMATION

We urge your thoughtful consideration of this project. An investment in the future of Alpha Nu will ensure continued success at The University of Texas and will provide a legacy upon which to build an even greater brotherhood.

As a large percent of the project is deemed non-educational, there is a need for contributions that are not tax deductible to complete the project. Therefore, donors are being asked to make contributions to the House Corporation and begin their pledge payments as early as possible.
